At HFSE International School, we embrace diversity as a cornerstone of our educational philosophy. As a private institution, we are committed to enrolling a student body that reflects a spectrum of needs and abilities, fostering an environment where every individual feels valued and supported.

While we strive to accommodate a diverse range of learners, we recognize our capacity constraints. Therefore, we ensure that our enrollment of students requiring learning support does not exceed 8%, maintaining a balance that allows us to deliver tailored education while meeting the needs of all students effectively. Join us at HFSE International School, where diversity thrives, and every student finds their path to success.
